ABOUT THE INSTITUTE

Haldia Institute of Technology (An Institute of ICARE, Haldia; approved by AICTE; affiliated to MAKAUT, Kolkata) began its journey in the year 1996. It is the first private and accredited academic institution catering technical education in West Bengal. The Institute is situated at Haldia – an industrial hub in Eastern India. Since inception, Haldia Institute of Technology is dedicated to the objectives of creating highly trained professional manpower in various disciplines of Engineering, Technology and Social Science. The Institute is also dedicated to the contribution of higher scientific research in Technology as well as in Applied Science and Social Science.

OBJECTIVE OF THE FDP

The objective of this FDP is to enhance participants' knowledge of emerging trends in Data Science and Artificial Intelligence, including Machine Learning, Deep Learning, Image Processing, and Generative AI. It aims to provide insights into advanced intelligent technologies and their practical applications, fostering innovation, research, and interdisciplinary problem-solving.

Haldia Institute of Technology

Emerging Trends in Data Science and
Intelligent AI System
(ETDS-AI 2026)

2nd – 6th Nov, 2026 (Online Mode)

Organized By
Department of CSE (DS)

In association with
IQAC, Haldia Institute of Technology
Haldia-721657
