Department of Chemical Engineering
2023-24

1. **Barnali Bej**, Participated Faculty Development Program on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)” organized by Departments of Computer Science & Engineering, Computer Science & Engineering in association with IQAC, Haldia Institute of Technology during 10th - 14th July, 2023.
2. **Barnali Bej**, Participated Faculty Development Program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering in association with IQAC, Haldia Institute of Technology during 17th - 21st July, 2023.
3. **Barnali Bej**, Participated Faculty Development Program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August, 2023.
4. **Barnali Bej**, Participated in National Faculty Development Program On “Frontier Research in Electrical Engineering (FREE 2023)”, organized by Department of Electrical Engineering in association with IQAC, Haldia Institute of Technology during 18th – 22nd September, 2023.
5. **Anoar Ali Khan**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, during 28th August - 1st September, 2023.
6. **Anoar Ali Khan**, Participated in Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Departments of Electrical Engineering, in association with IQAC, Haldia Institute of Technology, during 18th September – 22nd September, 2023.
7. **Ankita Mazumder**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India during 28th August - 1st September, 2023.
8. **Ankita Mazumder**, Participated in National Faculty Development Programme on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 18th – 22nd September, 2023.

9. **AditiSinha**, Participated in Faculty development program on “Current Trends in Engineering, Science and Technology” organized by SreeSakti Engineering College (Coiminator), during 03rd – 08th July, 2023.
10. **AditiSinha**, Participated in Faculty development program on “Realising benefits of academic research” organized by SreeSakti Engineering College (Coiminator), during 10th – 15th July, 2023.
11. **AditiSinha**, Participated in Faculty development program on “Artificial intelligence in Advancedmachinelearningandcloud computing(AIAMLCC-2023)” organized by Departments of Computer Science & Engineeringin association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.
12. **AditiSinha**, Participated in Faculty development program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, W.B during 17th – 21st July, 2023.
13. **AditiSinha**, Participated in Faculty development program on “Innovation in recent trends and research application on computing and informatics” organized by Departments of Information Technologyin association with IQAC, Haldia Institute of Technology, during 31st July – 4th August, 2023.
14. **AditiSinha**, Participated in Faculty development program on “Industrial waste water management (IWWM-2023)” organized by Departments of Chemical Engineeringin association with IQAC, Haldia Institute of Technology, W.B, during 28th August – 1st September, 2023.
15. **AditiSinha**, Participated in Faculty development program on “Frontier Research in Electrical Engineering(FREE-2023)” organized by Departments of Electrical Engineering in association with IQAC, Haldia Institute of Technology, W.B, during 18th – 22nd September, 2023.
16. **Biswajit Mandal** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
17. **Biswajit Mandal** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.

18. **Biswajit Mandal** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th- 28th July 2023.
19. **Deepak Kumar Samal** Participated in 5 Days online Faculty Development Program on “Industrial Waste Water Management – 2023” (IWWM-2023) during 28th August - 1st September, 2023.
20. **Keka Rana**, Attended a one week Faculty development programme on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023), organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, during 10- 14th July, 2023.
21. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering”, organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India from 17th - 21st July, 2023.
22. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology from 31st July - 4th August 2023.
23. **Keka Rana**, Attended a five days online Faculty Development Program (FDP) on “Industrial Waste Water Management (IWWM-2023)”, organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
24. **Keka Rana**, Attended a five days National Faculty Development Program (FDP) on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology held during 18th – 22nd September, 2023.
25. **Lipika Das** participated one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
26. **Lipika Das** participated in five days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.

27. **Lipika Das** participated in five days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th- 28th July 2023.
28. **Lipika Das** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
29. **Lipika Das** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
30. **Lipika Das** participated in five days National Faculty Development Programme on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
31. **Radha Das** participated in Five Days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August to 1st September 2023.
32. **Sutapa Roy** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
33. **Sutapa Roy** participated & completed Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
34. **Sutapa Roy** participated & completed Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th- 28th July 2023.

35. **Sutapa Roy** participated & completed five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
36. **Sutapa Roy** participated & completed five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
37. **Sutapa Roy** participated & completed Five Days “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
38. **Dr. Suman Saha**, Participated in Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Departments of Chemical Engineering, in association with IQAC, Haldia Institute of Technology, during 28th August - 1st September, 2023.
39. **Dr. Suman Saha**, Participated in Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Departments of Electrical Engineering, in association with IQAC, Haldia Institute of Technology, during 18th September – 22nd September, 2023.
40. **Somak Jyoti Sahu** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.
41. **Somak Jyoti Sahu** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
42. **Somak Jyoti Sahu** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore during 24th - 28th July 2023.
43. **Somak Jyoti Sahu** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics”

organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.

44. **Somak Jyoti Sahu** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
45. **Somak Jyoti Sahu** participated in Five Days “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
46. **Sourav Poddar**, Participated in Faculty development program on “Industrial Waste Water Management” organized by Departments of Chemical Engineering in association with IQAC, Haldia Institute of Technology, during 28th August – 1st September, 2023..
47. **Sonali Samanta**, participated in one-week Faculty Development Program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)” organized by Department of Computer Science and Engineering, Haldia Institute of Technology, in Association with IQAC, during 10th -14th July, 2023.
48. **Sonali Samanta**, participated in five days online Faculty Development Program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, in Association with IQAC, during 17th -21st July, 2023.
49. **Sonali Samanta**, participated in five days online Faculty Development Program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by Department of Information Technology, Haldia Institute of Technology, in Association with IQAC, during 31st July – 4th August, 2023.
50. **Sonali Samanta**, participated in five days national Faculty Development Program on “Frontier Research in Electrical Engineering (FREE 2023)” organized by Department of Electrical Engineering, Haldia Institute of Technology, in Association with IQAC, during 18th – 22nd September, 2023.
51. **Siddhartha Sankar Boxi** Participated in a Faculty development program on “Frontier Research in Electrical Engineering (FREE 2023)”, Organized by Department of Electrical Engineering in association with IQAC, Haldia Institute of Technology from 18th to 22nd September, 2023.
52. **Siddhartha Sankar Boxi** Participated in a Faculty development program on “Innovation in Recent Trends and Research Application on Computing and Informatics (SUSSET 2023)”, Organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology from 31st July - 4th August 2023.

53. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)”, Organized by Department of Computer Science and Engineering in association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.
54. **Tanushree Ghosh**, Participated in one week Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing(AIAMLCC2023)” organized by Department of Computer Science & Engineering in association with IQAC, Haldia Institute of Technology, during 10– 14th July, 2023.
55. **Tanushree Ghosh**, Participated in one week Faculty development program on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th- 21st July, 2023.
56. **Tanushree Ghosh**, Participated in one week Faculty development program on "Green Technology and Suatainability-2023"organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105,during 24thto 28thJuly, 2023.
57. **Tanushree Ghosh**, Participated in one week Faculty development program on “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology, during 31stJuly to 4thAugust, 2023.
58. **Tanushree Ghosh**, Participated in one week Faculty development program on “Industrial Waste Water Management (IWWM-2023)” organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India, during 28th August to 1st September, 2023.
59. **Tanushree Ghosh**, Participated in one week Faculty development program on “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th to 22ndSeptember, 2023.
60. **Tapas Kumar Manna** participated & completed one week Faculty Development Program (FDP) on “ Artificial Intelligence in Advanced Machine Learning and Cloud Computing (ALAMLCC 2023)” organized by Department of Computer Science and Engineering, in association with IQAC, Haldia Institute of Technology, West Bengal, India during 10th – 14th July, 2023.

61. **Tapas Kumar Manna** participated in Five Days Online Faculty Development Program (FDP) on “Recent Trends in Civil Engineering” organized by Department of Civil Engineering, Haldia Institute of Technology, West Bengal, India during 17th - 21st July, 2023.
62. **Tapas Kumar Manna** participated in Five Days Online Faculty Development Program (FDP) on “Green Technology and Sustainability-2023” organized by Department of Petrochemical Engineering, JCT College of Engineering and Technology, Coimbatore-641105 during 24th - 28th July 2023.
63. **Tapas Kumar Manna** participated in five days faculty development programme for “Innovation in Recent Trends and Research Application on Computing and Informatics” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 31st July - 4th August 2023.
64. **Tapas Kumar Manna** participated in five days Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)” Organized by Department of Chemical Engineering, in Association with IQAC, Haldia Institute of Technology, Haldia, West Bengal, India from 28th August - 1st September, 2023.
65. **Tapas Kumar Manna** participated in Five Days “National Faculty Development Programme” on “Frontier Research in Electrical Engineering (FREE 2023)”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, during 18th – 22nd September, 2023.
66. **Sunil Baran Kuila** of Haldia Institute of Technology has successfully participated & completed one week faculty development program on Artificial Intelligence in advanced Machine Learning and Cloud Computing during 10th – 14th July, 2023, organized by department of Computer Science and Engineering in association with IQAC of Haldia Institute of Technology.

67. **Sutapa Roy**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.

68. **Tapas Kumar Manna**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
69. **Biswajit Mandal**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
70. **Lipika Das**, Participated in Faculty development program on “Sustainability of Process Engineering” organized by Department of Chemical Engineering, Dr. Viswanath Karad MIT World Peace University, during 18th – 22nd December, 2023.
71. **Tapas Kumar Manna**, participated in one-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)” organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
72. **Keka Rana**, Participated a AICTE Training And Learning (ATAL) Academy Faculty Development Program on “Application developments in the Lab on a Chip technology for Fluid and Thermal Sciences” organized by Haldia Institute of Technology during 29th January - 3rd February, 2024. (29/01/2024 to 03/02/2024).
73. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development program on “Application Developments in the Lab on a Chip technology for Fluid and Thermal Sciences” organized by Department of Mechanical Engineering, Haldia Institute of Technology, from 29th January to 3rd February, 2024.
74. **Dr. Anoar Ali Khan**, Participated in Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)” organized by Departments of Computer Science & Engineering, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
75. **Dr. Suman Saha**, Participated in Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)” organized by Departments of Computer Science & Engineering, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
76. **Lipika Das**, participated in one-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)” organized by Department of Chemical

Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

- 77. Aditi Sinha**, Participated in Faculty development program on “Edge Computing” organized by Departments of Computer Science & Engineering, Gandhi Institute of Excellent Technocrats, Ghangapatna, Bhubaneswar, during 05th to 09th Feb, 2024
- 78. Aditi Sinha**, Participated in Faculty development program on “Application of Blockchain Technology” organized by Departments of Computer Science & Engineering, in association with IQAC, Institute of Engineering and Management, Kolkata , during 29th Jan to 02nd Feb, 2024.
- 79. Tanushree Ghosh**, Participated in one week Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)”, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
- 80. Dr. Sutapa Roy**, Participated in Faculty development program on “Empowering Educators : AI Tools for Engineering and Technology (AITET-2024)” organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.
- 81. Dr. DEEPAK KUMAR SAMAL** of Haldia Institute of Technology, Haldia, West Bengal has participated in One-week online FDP on “Empowering Educators: AI Tools for Engineering and Technology (AITET-2024)”, organized by Department of Chemical Engineering, Chaitanya Bharathi Institute of Technology (A), Hyderabad, during 29th January 2024 - 2nd February 2024.

1. **Aditi Sinha**, Participated in Faculty development programme on “Recent advancement in Electrical Engineering” organised by Department of Electrical Engineering, Internal Quality Assurance cell IQAC, Haldia Institute of Technology and Institution of Engineers (India), during 19th - 23rd August, 2022.
2. **Aditi Sinha**, Participated in offline Faculty development programme on “Introduction to additive manufacturing” organised by Haldia Institute of technology at HIT AICTE IDEA Lab, during 26th Sep – 1st Oct, 2022.
3. **Barnali Bej**, Participated Five Days Faculty Development Program on “ Recent Trend and Research Application on IoT and Machine Learning” organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th - 16th July, 2022.
4. **Barnali Bej**, Participated Five Days Faculty Development Program on “Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science Engineering (DS) in association with IQAC, Haldia Institute of Technology during 25th-29th July, 2022.
5. **Barnali Bej**, Participated Five Days Faculty Development Program on “Computational Methodologies” organized by AEIE Department in association with IQAC, Haldia Institute of Technology during 1st- 5th August, 2022.
6. **Barnali Bej**, Participated in 4 weeks “Faculty Development Programme” On “Scope for Multidisciplinary Research and Education (SMRE- 2022)”, jointly organized by Department of Chemical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, in association with IChE, held during 23 July – 14th August, 2022.
7. **Barnali Bej**, Participated in Five Days “National Faculty Development Programme” On “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), held during 19th – 23rd August, 2022.
8. **Barnali Bej**, Participated in one week offline FDP On “Introduction to Additive Manufacturing”, organized by HIT AICTE Idea Lab, Haldia Institute of Technology, during 26th September – 1st October, 2022
9. **Biswajit Mandal**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science &

Engineering(CS), Computer Science & Engineering(DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.

10. **Biswajit Mandal**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
11. **Biswajit Mandal**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.
12. **Biswajit Mandal**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.
13. **Keka Rana**, Attended a 5 days FDP program on “Recent Trend and Research Application on IoT and Machine Learning”, organized by Department of Information Technology in association with IQAC, Haldia Institute of Technology, Haldia, 12th-16th July, 2022.
14. **Keka Rana**, Attended a Faculty Development Program on “Research Trends and Methodologies in Machine Learning”, organized by Department of Computer Science and Engineering, Computer Science and Engineering (AIML), Computer Science and Engineering (CS), Computer Science and Engineering (DS), in association with IQAC, Haldia Institute of Technology, on 25th – 29th July 2022.
15. **Keka Rana**, Attended a 4 Week online FDP on Scope for Multidisciplinary Research and Education (SMRE 2022), organized by the Department of Chemical Engineering and IQAC Haldia Institute of Technology, in association with Indian Institute of Chemical Engineers (IChE), from 23rd July to 14th August, 2022.
16. **Keka Rana**, Attended a Faculty Development Program on “Computational Methodologies”, organized by AEIE, Department, Haldia Institute of Technology, during 1st – 5th August, 2022.
17. **Keka Rana**, Attended a Faculty Development Program on “Emerging Trends in IOT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology, during 8th – 12th August, 2022.

18. **Keka Rana**, Attended a Five Days Faculty Development Program on “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and Institution of Engineers (India), during 19th – 23rd August, 2022.
19. **Keka Rana**, Attended a Faculty Development Program on Outcome based Teaching-Learning & Research Methodology”, organized by Academic Staff Development Centre IQAC, HIT, Haldia, from 6th to 10th September, 2022.
20. **Lipika Das Samanta**, Participated faculty development program on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th-16th July, 2022.
21. **Lipika Das Samanta**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering(CS), Computer Science & Engineering(DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.
22. **Lipika Das Samanta**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
23. **Lipika Das Samanta**, Participated faculty development program on “Recent Advancement in Electrical Engineering” jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), during 19th – 23rd August, 2022.
24. **Lipika Das Samanta**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.
25. **Lipika Das Samanta**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.

26. **Lipika Das Samanta**, Participated offline faculty development program on “Introduction to Additive Manufacturing” organized by HIT AICTE IDEA lab, Haldia Institute of Technology during 26th September to 1st October 2022.
27. **Radha Das**, Participated 4 week Faculty development programme on “Scope of Multidisciplinary Research and Education (SMRE-22) ” organized by Department of Chemical Engineering, during July 23 – August 14, 2022.
28. **Sunil Baran Kuila**, Attended FDP on Database Connectivities organised by Department of Computer Science, St. Pious X Degree & PG College for Women on 19th July, 2022.
29. **Sunil Baran Kuila**, Participated in the AICTE Recognized Faculty Development Programme on Energy Harvesting & Storage Materials & Devices Conducted by Applied Science Department from 12/09/2022 to 16/09/2022 (One Week).
30. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology , HIT, in association with IQAC, HIT from 12th – 16th July, 2022.
31. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Faculty Development Program On Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science and Engineering; Computer Science and Engineering (AIML); Computer Science and Engineering (CS); Computer Science and Engineering (DS), HIT in association with IQAC, Haldia Institute of Technology from 25th – 29th July, 2022.
32. **Somok Jyoti Sahu**, Participated a faculty development programme on “Operation and Practices in Chemical Process Industries Scope for Multidisciplinary Research and Education (SMRE 2022)”, Organized by Department of Chemical Engineering and IQAC Haldia Institute of Technology in Association with Indian Institute of Chemical Engineer. Date: 23rd July to 14th August, 2022
33. **Somok Jyoti Sahu**, Participated and completed successfully one week online FDP on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology from 08th – 12th August, 2022.
34. **Somok Jyoti Sahu**, Participated and completed successfully one week online National FDP on “Recent Advancement in Electrical Engineering,” organized by Department of

Electrical Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology during 19th – 23rd August, 2022.

35. **Somok Jyoti Sahu**, Participated in one week Faculty Development Program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology, Haldia on 6th to 10th September 2022.
36. **Somok Jyoti Sahu**, Participated and completed successfully one week AICTE Recognized online FDP on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department, NITTTR, Chandigarh from 12th – 16th September, 2022.
37. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology , HIT, in association with IQAC, HIT from 12th – 16th July, 2022.
38. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Faculty Development Program on Research Trends And Methodologies In Machine Learning” organized by Departments of Computer Science and Engineering; Computer Science and Engineering (AIML); Computer Science and Engineering (CS); Computer Science and Engineering (DS), HIT in association with IQAC, Haldia Institute of Technology from 25th – 29h July, 2022.
39. **Sutapa Roy**, Participated and completed successfully one week online FDP on “Emerging Trends in IoT Enabled Wireless Communication”organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology from 08th – 12h August, 2022.
40. **Sutapa Roy**, Participated and completed successfully one week online National FDP on “Recent Advancement in Electrical Engineering,”organized by Department of Electrical Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology during 19th – 23rd August, 2022.
41. **Sutapa Roy**, Participated and completed successfully one week AICTE Recognized online FDP on “Energy Harvesting & Storage Materials & Devices”organized by Applied Science Department, NITTTR, Chandigarh from 12th – 16th September, 2022.
42. **Sonali Samanta**, Attended a 5days FDP program on “Recent Trend and Research Application on IoT and Machine Learning”, organized by Department of Information

Technology in association with IQAC, Haldia Institute of Technology, Haldia, 12th-16th July, 2022.

43. **Sonali Samanta**, Attended a Faculty Development Program on “Research Trends and Methodologies in Machine Learning”, organized by Department of Computer Science and Engineering, Computer Science and Engineering (AIML), Computer Science and Engineering (CS), Computer Science and Engineering (DS), in association with IQAC, Haldia Institute of Technology, on 25th – 29th July 2022.
44. **Sonali Samanta**, Attended a 4 Week online FDP on Scope for Multidisciplinary Research and Education (SMRE 2022), organized by the Department of Chemical Engineering and IQAC Haldia Institute of Technology, in association with Indian Institute of Chemical Engineers (IChE), from 23rd July to 14th August, 2022.
45. **Sonali Samanta**, Attended a Faculty Development Program on “Computational Methodologies”, organized by AEIE, Department, Haldia Institute of Technology, during 1st – 5th August, 2022.
46. **Sonali Samanta**, Attended a Faculty Development Program on “Emerging Trends in IOT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering, Haldia Institute of Technology, in association with IQAC, Haldia Institute of Technology, during 8th – 12th August, 2022.
47. **Sonali Samanta**, Attended a Five Days Faculty Development Program on “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and Institution of Engineers (India), during 19th – 23rd August, 2022.
48. **Sonali Samanta**, Attended a Faculty Development Program on “Outcome based Teaching-Learning & Research Methodology”, organized by Academic Staff Development Centre IQAC, HIT, Haldia, from 6th to 10th September, 2022.
49. **Sonali Samanta**, Attended a Faculty Development Program on Introduction to additive manufacturing”, organized by HIT AICTE IDEA lab, HIT, Haldia, from 26th November to 1st October, 2022.
50. **Siddhartha Sankar Boxi**, Participated in a 4 weeks online Faculty development program on “Scope for Multidisciplinary Research and Education (SMRE 2022)”, Organized by Department of Chemical Engineering and IQAC, Haldia Institute of Technology in association with Haldia Regional Centre, IChE, during 23rd July – 14th August, 2022.

51. **Siddhartha Sankar Boxi**, Participated in Faculty development program on “Computational Methodologies” organized by Departments of AEIE, Haldia Institute of Technology, during 1 – 5th August, 2022.
52. **Siddhartha Sankar Boxi**, Participated in Faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science & Engineering (DS) in association with IQAC, Haldia Institute of Technology, during 25 – 29th July, 2022.
53. **Tapas Kumar Manna**, Participated faculty development program on “Recent Trend and Research Application on IoT and Machine Learning” organized by the Department of Information Technology in association with IQAC, Haldia Institute of Technology during 12th-16th July, 2022.
54. **Tapas Kumar Manna**, Participated faculty development program on “Research Trends and Methodologies in Machine Learning” organized by Departments of Computer Science & Engineering, Computer Science & Engineering (AIML), Computer Science & Engineering (CS), Computer Science & Engineering (DS) in association with IQAC, Haldia Institute of Technology during 25th – 29th July, 2022.
55. **Tapas Kumar Manna**, Participated faculty development program on “Emerging Trends in IoT Enabled Wireless Communication” organized by Department of Electronics and Communication Engineering (NBA Accredited), Haldia Institute of Technology in association with IQAC, Haldia Institute of Technology during 8th to 12th August, 2022.
56. **Tapas Kumar Manna**, Participated “National Faculty Development Programme” On “Recent Advancement in Electrical Engineering”, jointly organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology, & Institution of Engineers (India), during 19th – 23rd August, 2022.
57. **Tapas Kumar Manna**, Participated faculty development program on “Outcome Based Teaching-Learning & Research Methodology” organized by Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology during 6th to 10th September 2022.
58. **Tapas Kumar Manna**, Participated faculty development program on “Energy Harvesting & Storage Materials & Devices” organized by Applied Science Department at NITTTR, Chandigarh during 12th to 16th September 2022.

59. **Aditi Sinha**, participated in one week FDP on “ Recent Trends in Machine Learning , IOT and Data Science” organised by department of CSE, IT, CSBS and AIML Asansol Engineering college, Asansol, W.B during 23rd to 28th January,2023.
60. **Lipika Das**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
61. **Lipika Das**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
62. **Lipika Das**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
63. **Sunil Baran Kuila**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
64. **Sunil Baran Kuila**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
65. **Sunil Baran Kuila**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
66. **Dr. S. J. Sahu**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
67. **Dr. S. J. Sahu**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
68. **Dr. S. J. Sahu**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
69. **Tapas Kumar Manna**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.

70. **Tapas Kumar Manna**, Participated in 5 days FDP programme on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT college of Engineering and Technology, Chennai during 21 – 25th November , 2022.
71. **Tapas Kumar Manna**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st -7th February, 2023.
72. **Sutapa Roy**, participated faculty development program on “Recent Advances in Chemical Engineering” organized by Department of Chemical Engineering, Rajalakshmi Engineering college, Thandalam, Chennai during 8th to 12th November, 2022.
73. **Sutapa Roy**, participated faculty development program on “Recent Trends in Chemical and Petrochemical Industries” organized by JCT College of Engineering and Technology during 21st-25th November, 2022.
74. **Sutapa Roy**, participated faculty development program on “Energy Trends and Virtual Challenges in Current Scenario” organized by Department of Petroleum Engineering, JCT College of Engineering and Technology during 1st-7th February, 2023.
75. **Siddhartha Sankar Boxi**, Participated in a Faculty development program on “Artificial Intelligence in Advanced Machine Learning and Cloud Computing (AIAMLCC2023)”, Organized by Department of Computer Science and Engineering in association with IQAC, Haldia Institute of Technology, during 10th – 14th July, 2023.
76. **Aditi Sinha**, participated in National faculty development programme on “Recent Research and Advancement in Electrical and Electronics Engineering”(RRAEEE-2023) organised by department of electrical engineering, IQAC, HIT and Institution of Electronics and Telecommunication Engg(India) during 17th -21st April, 2023.
77. **Aditi Sinha**, participated in International FDP programme on “Advancement in next generation computing and communication in IOT age” organised by Institute of Engineering and Management ,Kolkata, Department of Computer application and Science, technically sponsored by Computer society of India CSI, Kolkata Chapter during 19th -23rd June, 2023.
78. **Barnali Bej**, Participated Five Days Faculty Development Program on “ Research methodology” organized by School of management and social science, HIT in association with IQAC, Haldia Institute of Technology during 9th - 15th February, 2023.
79. **Barnali Bej**, Participated one week Faculty Development Program on OUTCOME BASED TEACHING-LEARNING & RESEARCH METHODOLOGY organized by

Academic Staff Development Centre, IQAC, HIT, Haldia at Haldia Institute of Technology, Haldia on 6th to 10th September 2022.

80. Barnali Bej, Participated Five Days National Faculty Development Program on “Recent Research and Advancements in Electrical and Electronics Engineering” organized by jointly Dept. of Electrical Engineering in association with IQAC, Haldia Institute of Technology and Institution of Electronics and Telecommunication Engineers (India) during 17th - 21th April, 2023.
81. Biswajit Mandal, participated one week faculty development program on “Recycling Materials in Highway Construction, National Institute of Technical Teachers Training and Research, Chandigarh, during 6th to 10th March, 2023.
82. Biswajit Mandal, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by Sant Longowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjab during 29th May - 09th June, 2023.
83. Keka Rana, Attended a one week FDP on “Research Methodology”, organized by School of Management and social science, Haldia Institute of Technology, Haldia, West Bengal, India, 9th – 15th February, 2023.
84. Keka Rana, Attended a Five Days, “National **Faculty Development Programme**” on “Recent Research and Advancements in Electrical and Electronics Engineering (RRAEEE, 2023)”, Organized by Department of Electrical Engineering, Internal Quality Assurance Cell (IQAC) Haldia Institute of Technology and the Institution of Electronics and Telecommunication Engineers (INDIA), IETEBWN Sub-centre, during 17th – 21st April, 2023.
85. Lipika Das, participated one week faculty development program on “Recycling Materials in Highway Construction, National Institute of Technical Teachers Training and Research, Chandigarh, during 6th to 10th March, 2023.
86. Lipika Das, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by Sant Longowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjab during 29th May - 09th June, 2023.
87. Dr. Sunil Baran Kuila, Participated in the AICTE Recognized Faculty Development Programme on Recycling Materials in Highway Construction Conducted by Civil Engineering Department from 06/03/2023 to 10/03/2023 (One Week)
88. Dr. Sunil Baran Kuila, Participated in the two weeks self-financed faculty development programme (Through Online Mode) on CHEMICAL ENGINEERING PRACTICES IN 21st CENTURY (May 29 – June 09, 2023).

89. Sutapa Roy participated in a faculty development program on “Recycling Materials in Highway Construction” organized by Departments of Civil Engineering, National Institute of Technical Teachers Training and Research, Chandigarh, Ministry OF Education, Government of India, held from 6th March to 10th March, 2023.
90. Sutapa Roy participated in a faculty development program on “Chemical Engineering Practices In 21st Century” organized by Departments of Chemical Engineering, Sant Longowal Institute of Engineering & Technology, (SLIET), Longowal, Punjab, held from 29th May to 09th June, 2023.
91. **Sonali Samanta**, attended a Faculty Development Program on “Research Methodology” organized by School of Management and Social Science, Haldia Institute of Technology, in Association with IQAC, during 9th-15th Feb, 2023
92. **Sonali Samanta**, attended a national Faculty Development Program on “Recent Research and Advancements in Electrical and Electronics Engineering (RRAEE 2023)” organized by department of Electrical Engineering, Internal Quality Assurance Cell (IQAC), Haldia Institute of Technology and The Institution of Electronics and Telecommunication Engineers (India), IETEBWN Sub-centre, during 17th -21st April, 2023
93. **Tanushree Ghosh**, Participated in a Faculty development programme on “Recent Trend and Research Application on IoT and Machine Learning” organized by Departments of Information Technology in association with IQAC, Haldia Institute of Technology, during 12 – 16th July, 2022.
94. **Tanushree Ghosh**, Participated in a Faculty development programme on “Scope for Multidisciplinary Research and Education (SMRE 2022)” organized by Department of Chemical Engineering and IQAC, Haldia Institute of Technology in association with IICHe, during 23 July – 14th August, 2022.
95. **Tanushree Ghosh**, Participated in a Faculty development programme on “Energy trends and virtual challenges in current scenario” organized by Department of Petroleum Engineering, JCT college of Engineering and Technology, during 1st Feb – 7th Feb, 2023.
96. **Tanushree Ghosh**, Participated in two weeks Faculty development programme on “Chemical Engineering Practices in 21st Century” organized by Department of Chemical Engineering, Sant Longowal Institute of Engineering & Technology, Punjab, during 29 May – 9th June, 2023.
97. **Tapas Kumar Manna**, Participated in Faculty development program on “Recycling Materials in Highway Construction” organized by Civil Engineering Department,

National Institute of Technical Teachers Training and Research, Chandigarh, during 6th – 10th March, 2023.

98. **Tapas Kumar Manna**, Participated in Faculty development program on “Chemical Engineering Practices in 21st Century” organized by Department of Chemical Engineering, Sant Longowal Institute of Engineering and Technology (SLIET), Longowal, Sangrur, Punjab (India)., during 29th May – 9th June, 2023.
99. **Somak Jyoti Sahu**, participated two weeks faculty development program on “Chemical Engineering Practices in 21st Century” organized by SantLongowal Institute of Engineering & Technology, Longowal, Distt. Sangrur-148106 Punjabduring 29th May- 09th June, 2023.

2021-22

1. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated in FDP on Entrepreneurship-Innovation IPR-Startup held during 28.06.2021 to 03.07.2021 organized by Institutional Innovation Council, JICCE.
2. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Advanced FDP on " Framework for Online Assessment" from 16/08/2021 to 20/08/2021 at National Institute of Technical Teachers Training & Research.
3. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on " Leadership and Teamwork for Education Excellence" from 06/09/2021 to 10/09/2021 at Central University of Haryana.
4. **Sunil Baran Kuila**, Professor of Haldia Institute of Technology participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on "Carbon Capture, Utilization and Storage: Opportunities and Challenges" from 13/12/2021 to 17/12/2021 at Government Engineering College Kozhikode.
5. **Biswajit Mandal**, Attended Atal FDP on "Carbon Capture, Utilization and Storage: Opportunities and Challenges" from 13/12/2021 to 17/12/2021, at Government Engineering College Kozhikode.
6. **Biswajit Mandal**, Attended FDP “waste to Energy” from 19/1/2022 to 25/01/2022

7. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Bhilai Institute of Technology Durg, during 08 – 12th Nov, 2021.
8. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Waste Technology” organized by Government Engineering College Bharuch, during 20 – 24th Dec, 2021.
9. **Barnali Bej**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Recycling of Plastics for Sustainable Growth” organized by CIPET, Institute of Plastic Technology (IPT) Bhubaneswar, during 10 – 14th Jan, 2022.
10. **Keka Rana**, attended a FDP on “Research applications in artificial intelligence and machine learning”, organized by Department of Computer Science and Engineering of Haldia Institute of Technology, Haldia, West Bengal, India, during 6th September – 10th September 2021.
11. **Keka Rana**, attended an AICTE Training and Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering”, organized by Bhilai Institute of Technology, during 8th November – 12th November 2021.
12. **Keka Rana**, attended an AICTE Training And Learning (ATAL) Academy Faculty development programme on “Waste Technology”, organized by Government Engineering College, Bharuch, during 20th – 24th December, 2021.
13. **Keka Rana**, attended an AICTE Training And Learning (ATAL) Academy Faculty development programme on “Recycling of Plastics for Sustainable Growth”, organized by Central Institute of Petrochemicals Engineering & Technology(CIPET): Institute of Plastics Technology(IPT), during 10th – 14th January, 2022.
14. **Aditi Sinha**, participated in AICTE Training and learning (ATAL) Academy Faculty Development Programme on “Advanced Sensor technology for Efficient Biomedical and Energy Management in smart cities”, organised by Jaipur Engineering College and Research centre , during 03-07th Jan,2022.
15. **Aditi Sinha**, participated in AICTE Training and learning (ATAL) Academy Faculty Development Programme on “Recycling of plastic for sustainable growth”, organised by Central Institute of Petrochemical Engineering & Technology (CIPET): Institute of Plastic Technology (IPT) , during 10-14th Jan,2022.
16. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Framework for Online Assessment” organized by

National Institute of Technical Teachers Training & Research, during 16 – 20th August, 2021.

17. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, India, during 25 – 29th November, 2021.
18. **Lipika Das Samanta**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Carbon Capture, Utilization and Storage: Opportunities and Challenges” organized by Government engineering college Kozhikode, during 13 – 19th December, 2021.
19. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on " Carbon Capture, Utilization and Storage: Opportunities and Challenges" organized by Government Engineering College Kozhikode, during 13th - 17th Dec, 2021.
20. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on "Green Technology and Sustainability Engineering" organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, during 25th - 29th Nov, 2021.
21. **Sutapa Roy** participated & completed successfully AICTE Training And Learning (ATAL) Academy FDP on "Framework for Online Assessment" organized by National Institute of Technical Teachers Training & Research, during 16th - 20th August, 2021.
22. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP “Carbon Capture, Utilization and Storage: Opportunities and Challenges” at Government Engineering College Kozhikode, from 13- 17th Dec, 2021.
23. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP"Green Technology and Sustainability Engineering" at Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, INDIA. 25- 29th Nov, 2021.
24. **S. J Sahu**, participated Faculty Development Program on “Research applications in Artificial Intelligence and Machine Learning” organised by Department of Computer Science, HIT, Haldia 6- 10th September, 2021.
25. **S. J Sahu**, participated AICTE Training and Learning (ATAL) Academy Online FDP "Framework for Online Assessment" at National Institute of Technical Teachers Training & Research from 16- 20th Aug, 2021.

26. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Bhilai Institute of Technology, during 8– 12th Nov, 2021.
27. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Waste Technology” organized by Government Engineering College, Bharuch, during 20 – 24thDec, 2021.
28. **Sonali Samanta**, Participated in AICTE Training and Learning (ATAL) Academy Faculty development programme on “Recycling of Plastics for Sustainable Growth” organized by Central Institute of Petrochemicals Engineering &Technology (CIPET): Institute of Plastics Technology (IPT), during 10– 14thJan, 2022.
29. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Green Technology and Sustainability Engineering” organized by Kolhapur Institute of Technology's College of Engineering (Autonomous), Kolhapur, Maharashtra, INDIA, during 25 – 29th November, 2021.
30. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Carbon Capture, Utilization and Storage: Opportunities and Challenges” organized by Government Engineering College , Kozhikode, during 13 – 17th December, 2021.
31. **Tapas Kumar Manna**, Participated in AICTE Training And Learning (ATAL) Academy Faculty development programme on “Alternate Fuels ” organized by Goa College of Engineering, during 06 – 10th December, 2021.
