

Conference /workshop / seminar organized
Department of Chemical Engineering

2023-24

- 1. Siddhartha Sankar Boxi (convener), Barnali Bej (Co-convener), Sunil Baran Kuila,** Organized a Five Days Online Faculty Development Program on “Industrial Waste Water Management (IWWM-2023)”, organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology. No. Date: 28th August – 1st September, 2023. Participants – 255.

- 2. Sutapa Roy,** organized a Invited Talk & Interactive Session on “The preparatory formalities for National Board of Accreditation”, organized by organized by Department of Chemical Engineering, in association with IQAC, Haldia Institute of Technology. No. Date: 5th August, 2023. Participants – 50.

- 3. Sunil Baran Kuila**Coordinated4 week online internship training program on “Chemical Process Technology” Organized by the Training Centre of IChE during June-July,2023.No. Participants – 65.

- 4. Dr. Biswajit Mandal,** as Organizing Secretary organized one week Staff Training Program on “Enhancing the laboratory skill in educational institution (STP-2024)” from 12th -19th February, 2024 at Haldia Institute of Technology.

1. **Biswajit Mandal, Tapas Kumar Manna, Sutapa Roy and Lipika Das** organized a institutional internship for B.Tech Engineering students on “Scope of Enterprenurership in the Field of Engineering: A Practical Aspect”, Organized by Department of Chemical Engineering in collaboration with IChE (students’ chapter, Haldia) and Sunny Ray Solutions (A Solar Energy Company) Kolkata. No. Participants – 136. **Date: 14th October to 30th November, 2022.**
2. **R. Das**, will organize a national Conference on “Emerging Trends and Application of Green Technologies for Sustainable Development” at Haldia Institute of Technology. **Date: 21st-22nd November 2022.**
3. **Tapas Kumar Manna, Sutapa Roy, Biswajit Mandal, Somak Joyti Sahu, Lipika Das**, organized two days online webinar on “*Ethanol: As an Additive to Petroleum Fractions*”, Organized by Department of Chemical Engineering, Haldia Institute of Technology, Haldia, in Association with IQAC, HIT and Students’ Chapter, Haldia Regional Centre (HRC), IChE, No. Participants – 328. **Date: 26th July & 27th July, 2022.**
5. **Biswajit Mandal, Lipika Das, Tapas Kumar Manna and Sutapa Roy** Organized a 4 weeks online Faculty Development Program on “Scope for Multidisciplinary Research and Education (SMRE 2022)”, Organized by Department of Chemical Engineering, Haldia Institute of Technology in association with Haldia Regional Centre, IChE, No. Participants – 88. **Date: 3rd July – 14th August, 2022.**
6. **Sunil BaranKuila**, Coordinated Online Summer Training Program (OSTP-2022, Batch-1) for the Chemical Engineering students of all over the country on the theme of “Petroleum Refinery Engineering & Process Technology” in association with IChE& Terra Green Technologies, during December’2022.
No. of Participants– 100.
7. **Sunil BaranKuila**, Coordinated Online Summer Training Program (OSTP-2022, Batch-2) for the Chemical Engineering students of all over the country on the theme of “Petroleum Refinery Engineering & Process Technology” in association with IChE& Terra Green Technologies, during January-February’2023.
No. of Participants–110.

8. Date: June-July'2022

Sunil BaranKuila, Coordinated Online Summer Training Program (OSTP-2022, Batch-1) for the Chemical Engineering students of all over the country on the theme of “Advances in Petroleum Refinery Engineering” in association with IChE& Terra Green Technologies.

No. of Participants– 145.

9. Date: August - September'2022

Sunil BaranKuila, Coordinated online Summer Training Program (OSTP-2022, Batch-2) for the Chemical Engineering students of all over the country on the theme of “Advances in Petroleum Refinery Engineering” in association with IChE&Terra Green Technologies.

No. of Participants–95.

10. Sunil BaranKuila, Coordinated Online Internship Program (OIP-2023, Batch-1) for the Chemical Engineering students of all over the country on the theme of “Chemical Process Technology” in association with IChE, during March'2023.

No. of Participants – 65.

11. Sunil BaranKuila, Coordinated Online Internship Program (PRE-CPT-2023) for the Chemical Engineering students of all over the country on the theme of “Petroleum Refinery Engineering &Chemical Process Technology” in association with IChE& Terra Green Technologies, during January-February'2023.

No. of Participants – 90.

2021-22

1. Organized a 4 weeks online workshop on “Application of IOT in Chemical Process Industries (IOTCPI 2022)”, Organized by Department of Chemical Engineering, Haldia Institute of Technology in association with Haldia Regional Centre, IChE AND Department of Computer Application, Haldia Institute of Technology, Date: 2nd April – 2nd May, 2022. No. Participants – 220.
2. Organized a Five Days Staff Development Program on, “High Impact Laboratory Training Skill in Chemical Engineering (SDP-2022)”, Dept. of Chemical Engineering, HITHaldia, Date: 1st - 5thFeb, 2022. No. Participants – 25
3. Organized a five days online workshop & technical quiz on “Industrial Process Safety Management (PSM-2021), organised by department of Chemical Engineering, Haldia Institute of Technology, Date: 13th - 17th Dec, 2021, No. Participants -302
4. Organized a National Webinar on "Beyond Your Bachelor's Degree: Chemical Engineering", jointly organized by Department of Chemical Engineering, Haldia Institute of Technology, Haldia, Date: 9th – 11th July, 2021. No. Participants - 180

2020-21

Date: 17th – 19th December, 2020

Organized a National Webinar on “Operation and Practices in Chemical Process Industries”, Jointly Organized by Department of Chemical Engineering, Haldia Institute of Technology, Haldia and Haldia Regional Centre, IChE.No. Participants - 256
