Number of Participants: 45

Venue: MBA Seminar Hall, HIT, Haldia

Dates: 24th – 25th February 2018

IETE HIT SF organized a workshop on IOT(internet of things) under the supervision of faculty coordinate Prof. Mr. surajit Mukherjee, guided by our expert core IETE members. In this 2 days long workshop the students were introduced with basics of iot, it's practical applications along with live examples. In order to get a greater depth, a kit was also provided for interested ones so that they may get hands-on experience.

The screenshot shows a Facebook post from the page 'IETE Students' Forum, HIT, Haldia'. The post text reads: 'A workshop on IOT(internet of things) is organised by IETE on 24th and 25th February 2018 at MBA seminar hall. All students are invited to participate in the workshop. Registration details: Fees - Rs 250(IETE members) Rs 350(Non IETE members) Venue: ECE department ground floor.' Below the text is a promotional poster for the 'IETE PRESENTS WORKSHOP ON INTERNET OF THINGS'. The poster specifies the date as 'DATE: 24TH AND 25TH FEBRUARY, 2018', the registration fee as 'REGISTRATION FEE (INCLUDING KIT): RS. 250 (IETE MEMBERS) RS. 350 (NON IETE MEMBERS)', and the venue and time as 'REGISTRATION VENUE AND TIME: ECE DEPARTMENT (GROUND FLOOR) 1:30 P.M - 2:00 P.M. 3:00 P.M - 5:30 P.M.'. Contact information for Sumit, Prakash, and Harsh is also provided.

Workshop on Internet of Things (IOT), 24th -25th Feb, 2018
