### NOTIFICATION FOR COMMENCEMENT OF CLASSES & ORIENTATION PROGRAMME FOR THE FIRST YEAR B.TECH. STUDENTS DURING A.Y. 2020-2021

Dated : 13<sup>th</sup> November, 2020

*Dear Students / Parents,*

At the outset, I, on behalf of Haldia Institute of Technology (An Autonomous Institute), convey good wishes to you for opting this premier and oldest Institute in the eastern region for study as well as to build up your academic career in the field of engineering and technology. I also heartily welcome all the students in this Institute to enjoy their four years of professional journey under the guidance and leadership of qualified and experienced faculty members and other members of staff in the Institute, in accordance with the rules and regulations of the Institute.

The Country is going through a prolonged emergent conditions for COVID-19 pandemic situation and under this unforeseen situation, the students community is facing hardship to their academic career. However, in order to facilitate the students to go ahead towards their educational journey, the Institute authority has decided to provide education through **ONLINE MODE** for the time being, till the present pandemic situation is normalized or minimized.

*The student are however advised to adhere to the following guidelines throughout their study :-*

1. Students have to attain minimum 75% of classes (Online and offline) in the Institute in each semester, failing which, they would not be allowed to appear in the examinations, as per norms of the Institute/affiliating University.
2. Students would be required to abide by the day to day rules and regulations of the Institute, pertaining to Institute's discipline and not to be involved in any indiscipline/disruptive activities, failing which, the Institute shall be constrained to pursue any necessary action, as deem appropriate by the appropriate authority.

**On the date of commencement of ONLINE CLASSES on and from 01-12-2020, the Institute has arranged the ONLINE ORIENTATION PROGRAMME (by eminent personalities from Industries/Academia), followed by mandatory Students Induction Programme, on the entry of their journey to higher technical education which would be conducted in two segments, as detailed below :-**

Segment – I (3:00 PM)	Computer Science & Engineering, Computer Science & Engineering (Artificial Intelligence & Machine Learning), Computer Science & Engineering (Cyber Security), Computer Science & Engineering (Data Science), Electronics & Communication Engineering, Information Technology.
Segment – 2 (5:00 PM)	Applied Electronics & Instrumentation Engineering, Electrical Engineering, Chemical Engineering, Mechanical Engineering, Civil Engineering, Biotechnology, Food Technology

**Meeting link will be provided through SMS/Email, two (02) days prior to the Orientation Programme.**

Hope, all the students will be receiving the best services from our end at all times. I once again convey my appreciation to all the students with the anticipation for a successful and pleasant association to be proud of.

I wish all success in future endeavours and thank you. **Stay Home, Stay Safe and Stay Healthy.**
